Re: Mr. Daniel Elles

To Whom It May Concern:

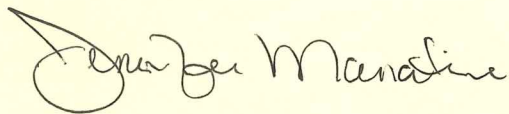

I would like to recommend Mr. Daniel Elles for admittance into your law school program. Daniel is a Summa Cum Laude graduate from Macomb Community College with an Associate of Applied Science in Paralegal. I know Daniel academically and he has the skills, qualities, demeanor, and knowledge to make him an asset to your program.

As a student, Daniel demonstrated exceptional capabilities in managing research and writing assignments in a timely fashion. His research was thorough and comprehensive, and he was able to clearly communicate his legal arguments in a logical and cohesive manner. Daniel is an extremely diligent individual, who is open to feedback and seeks opportunities for improvement. He is inquisitive, shows a passion for learning, and works well with others in group projects.

Daniel attended meetings held by Macomb Community College's Paralegal Association and participated in the Association's fall Road Clean-Up. His colleagues respect him, and he works well with others.

Overall, Daniel Elles is an organized, independent, dedicated individual whose professionalism is something to be commended. He believes strongly in helping others, and in being involved in the community. For these reasons, Daniel Elles should be admitted to your law school.
